ISBN: 9781940110509

Important Note

- Apologia Summer Sale: June 1 – August 31

English

Literature

Course Description

Students will explore a collection of literature texts from Progeny Press. Our goal is:

“To teach our children to think clearly, to understand literature, and to rely on Scripture for truth and values, and enjoy themselves while they do it!”

Reading List

(Books may be purchased anywhere, checked out from the library, or accessed through audiobooks.)

- *The Adventures of Huckleberry Finn*
- *The Hunger Games*
- *The Old Man and the Sea*
- *Macbeth*
- *Great Expectations*

Language Arts

Course Description

Essentials in Writing 9: Second Edition provides high school students with the writing skills needed for high school and university writing, the SAT, college applications, and daily communication. This curriculum includes video lessons for additional instruction outside co-op time, as well as a teacher guide to assist parents while students work at home.

Textbook

- *Essentials in Writing 9: Second Edition – Digital + Print*

Art 1

Course Description

Art 1 is a course that provides an introduction to art through multi-media experience. Students will learn and apply the elements and principles of design to produce creative art projects that reflect their understanding of these concepts. This course will help students understand what makes art successful through principles as well as through studying masterworks, while developing artistic skills and techniques through individual projects and exercises.

Dual Credit with Arizona State University

Fall Semester

CAP 150 – Career Exploration

Course Description

Welcome to *Career Pathways: Exploring Your Future!* This course is designed to help students understand themselves better by assessing personal strengths, interests, and values to uncover potential career opportunities.

Students will:

- Explore career clusters such as STEM, the arts, and skilled trades
- Set short-term and long-term career goals
- Build professional resumes, cover letters, and thank-you notes
- Develop foundational interviewing skills
- Gain practical knowledge to support future educational and career decisions

Important Notes

- Please check the technology requirements online.
- This class has limited transferability; however, it is highly recommended as a first college class for underclassmen.

Spring Semester
